Release #0223-004

---

It is with extreme sadness that we at the Fountain Police Department notify the public that K-9 Officer Julian Becerra has succumbed to the injuries he suffered during an on-duty incident that occurred on February 2, 2023. We appreciate the public's outpouring of support over the past week for Officer Becerra, his family and the Fountain Police Department.

This is an evolving process, and the family is requesting privacy while they navigate the difficult task of planning for Julian's final rest. The family has elected to not make any public statements at this time.

If there are any further updates, they will be provided by the Fountain Police Department Public Information Officer.

We appreciate your understanding and respect of our wishes and the wishes of the Becerra family.
